

## **Fundraising is hard. We want to help!**

Only registered U.S. 501c3 organizations (or CRA in Canada) with valid, current tax ID numbers are eligible to receive a Certificate for full access to the HaitiHub online Creole-learning system (good for 1 person).

The Certificate must be used as a silent auction item, raffle prize, or other fundraising instrument.

HaitiHub Certificates are limited to one per year, per organization.

The following 3 steps are necessary for us to consider a donation of 1 Certificate:

### **#1**

Send an email to [community@haitihub.com](mailto:community@haitihub.com). Your email **MUST** come from the domain name of your non-profit organization. No Gmail, Yahoo, Hotmail or other free email providers will qualify. It must be something like:

alex@haiti-non-profit.org or robin@ngo-haiti.com

### **#2**

In that email, tell us what your organization does (1 sentence is fine) and tell us the nature of the fundraising event in which the HaitiHub Certificate will be used (1 sentence is fine here, too).

### **#3**

Include your organization's valid **tax ID number** and the **mailing address** where you'd like to receive the Certificate.

If your organization qualifies, you can expect to receive the Certificate by snail mail 3-5 days after your initial email to us.

That's it!

It's just our way of thanking you for the work you're doing towards Haiti's better future! We're all in this together! And we hope your fundraiser is a success!

N'ap mete tèt ansanm, wi!

zanmi ou yo (your friends)
